PRESENTS

THE TWENTY-FIRST EDITION

OF

LEST WE FORGET

1962

FOREWORD

We, the class of 1962, wish to present to you, our underclassmen, and to you, our teachers, our parents, and our friends, this year's edition of the "Lest We Forget".

As we are nearing the end of our high school days, we realize that we have not accomplished all that we could have and for this we are truly sorry. But there are some things of which we are justly proud and these we have tried to put between the covers of this book. May it serve to help you not forget us, and may the perusal of the contents of this "Lest We Forget" give you much pleasure in the years to come.
